1. On 28 December 1954 I discussed the above listed references in general terms with Mr. Russell Ash of the NSC Staff Secretariat and explained to him that while Governor Brucker had actually approved of an exception to Recommendation No. 5 for CIA he had specifically requested that CIA point this out in its reply to his 30 November 1954 letter (reference b.).

2. Mr. Ash assured me that he understood this matter and that he would call it to the attention of Messrs. Lay and Coyne. He also assured me that unless I heard further from one of these individuals I could consider that the matter had been properly taken care of. I expressed my appreciation to him and indicated my willingness to stop by and discuss it further with Mr. Lay, Mr. Coyne, or others if it should be necessary.
